Fall Quarter Adult Bible Classes Begin NEXT Sunday, September 3!

Sunday Mornings at 9:00 am

Genesis Part 1: What Were We Put in the World to Do? (Pitman Road University class) - Garth Hutchinson - Family Life Center

It is far too easy to read the first chapters of Genesis with the questions of our time: "Were the days of creation 24 hours long?" "How long ago did this happen?" "Is this history or myth?" "How does this square with modern views of science and evolution?" Of course, these are important questions and we can probably learn some things from Genesis 1-11 that are relevant to them.

But we don't learn very much from a text if we ask questions that it was not written to answer. Genesis is, frankly, about deeper issues than biological origins. It answers questions such as: "What are human beings?" "Why are we here?" "What is our relationship to the nature and the world?" Essentially, Genesis is not about the "How" of creation but rather about the "Why". That is, ultimately, far more important.

Love (and Everything in Between) - Young Adult Class - Toria Davis & Nate Haden, Brandon & Mallory Keeks - Cornerstone Room B2

This class is about understanding God's love for us, how to love others, and how to love yourself. We will do this through open discussions based on scripture that is focused on love.

The Art Of Marriage - Derek & Leza Davis, Justin & Rebecca Guy - Chapel/Room B3

Learn what thousands of others have discovered – happier, healthier marriages start with God's flawless design. Come and explore God's purpose for marriage. Learn to overcome isolation, fulfill our responsibilities, and have better communication.

Walking an Uncertain Future: Living Well in a Culture at Odds with Christ - Andy Mychajlowycz - Room B4

Do you ever get concerned about the future? You're not sure which way our world is going or what it means for you and your family as you follow Christ? We live in a society that seems to be not only non-Christian, but more and more anti-Christian. What does it mean to live in such a society, whose values and belief systems are so opposed to your own? How are we to raise healthy, faithful families in this environment? Bottom line: What does it mean to live the life Christ has called us to in our world? This series seeks to investigate these and other questions.

Parke Place Worship - Jay Schneider - at Parke Place

Join a worship assembly each Sunday morning at Parke Place on Delsea Drive (near our old Church building). If you would like to support or help lead this time of worship, your participation would be welcome. We are thankful for our faithful saints who have supported this outreach for years, and we'd love more participation from our church family.

Wednesday Evenings at 7:00 pm

Survey of Hebrews - Mike Grove - Chapel/B3

The book of Hebrews examines Christ's nature as fully God and fully man. As such, He is superior to the Mosaic law and its priestly sacrificial system, while himself being able to serve as both the sacrifice and mediating high priest for a better covenant. Given this understanding, we are called to faithfulness and endurance.

God Will Make A Way - What To do When You Don't Know What To Do - Derrick Busch - Room B4

Based on the book *God Will Make a Way* by Dr. Henry Cloud, Dr. John Townsend. There are times in our lives when we've felt lost or hurt and find ourselves asking, "Where is God in all of this?" When the road gets rough, and we don't know which way to run, it can feel like God is distant. Yet, that's exactly when He can step in and move as we've never seen Him do before. Come and join us as we confront life's difficulties with the inerrant Word of God! LET GOD SPEAK... This class connects to the "Life Challenges" LIFE Group.

Barnabas Group - Donna Lazar and Fran Point - Room B1

Barnabas of the New Testament was an encourager. The goal of our Barnabas Group is to spread encouragement! The group accomplishes this goal through cards to our members, their family and friends, and our guests. Birthdays, illness, anniversary, etc., you'll probably hear from our Barnabas Group! Join us as we share God's love.

Our Mission

Meet others where they are and together be transformed into the image of Christ.

From Daniel's Den

A Prayer for Students and Teachers

Dear Heavenly Father,

Thank You for the opportunity of another school year, a new beginning, a clean page, a fresh start. Give our students and teachers the will, courage and grace to do well as they aim for excellence. Help them to make the most of each opportunity presented, and to put their best foot forward no matter the circumstance. When things get difficult, grant them a spirit of perseverance to push through and not give up. May their faith not fail in times of trial, but grow stronger. May they know that You are their God, their very present help in times of trouble.

Cover our students and teachers in the precious blood of Jesus. Shield them from harm and danger; send Your angels to encamp around them and guard them. Help them not to be deceived by any doctrine, philosophy, or trend that tries to exalt itself above the truth of Your Word. Let the truth of Your Word reign in their innermost being.

Help our students and teachers to work in an atmosphere of unity and cooperation. Should disagreement or conflict arise, empower peacemakers and ministers of reconciliation to restore peace, harmony, and order. May there be no room for violence or abuse on any level.

Strengthen and comfort those students and teachers who are coming from homes or personal situations filled with strife and trauma. Strengthen and comfort those who are secretly hurting and broken within, but still have to show up, focus, and do their duties. Touch these students and teachers like only You can. By Your grace, enable them to work well in spite of their situations. Minister to their needs seen and unseen. Let them know Your love and presence in a special way.

Father, remind each student and teacher of their responsibility to represent You well. Let Your power rest upon them, making them distinct and different, demonstrating godly character and principles. Remind them that they are salt and light in their places of learning. May lives be changed, hearts transformed and Your plans and purposes established as they obey Your will.

In the precious name of Jesus, amen.

Body Life & Fellowship

We can each be overwhelmed by daily responsibilities and distracted by worldly interests that keep us from spending time with God and His people.

A Servant Speaks

Man Marries His Cell Phone!

We were out to dinner when my new Nigerian in-laws, Ory and Zik, showed me a story of a man who married his smartphone last June in a Las Vegas chapel. Ory, in particular, was incredulous and stated that we in this country enjoy a level of comfort and safety that allows for such frivolous things as marrying one's smartphone. Nigeria for example, does not have the quality roads, outdoor lighting, or just safe travel in general that we take for granted. She went on to say that if we lived in the conditions of their country and many other countries, we would be more focused on prayer!

While I am grateful that my family lives in this safe country, I was again reminded of Luke 18:25. ***For it is easier for a camel to go through the eye of the needle than for a rich man to enter the kingdom of God.*** While smartphones can be a great resource and even provide a "study Bible in your pocket," the fact that the man felt that the phone was the thing that made him the happiest is a sad display of our changing focus. We can each be overwhelmed by daily responsibilities and distracted by worldly interests that keep us from spending time with God and His people. I am speaking for myself first and foremost. If you think that life will get slower and simpler as you near retirement age, think again!

The leadership here at Pitman places a great emphasis on providing opportunities for Christian fellowship, prayer, Bible learning, evangelism, community service, and just plain fun with our brothers and sisters. These things help to keep us focused on our God and Savior and connected with his people. We should all try to take advantage of these opportunities. We will be counting on our relationship with Jesus, not our smartphones, as we stand before the judgement seat.

Brotherly, **Tony DeStefano**

Backpacks Are Still Needed!

Last year our church family donated hundreds of dollars worth of school supplies; thank you again for your generosity! You blessed many children last year. We distributed some of the supplies to several different schools, but most went to Derek and Leza Davis for their students at the West Atco Youth In Action Center. The good news is that due to your generosity last year, Derek and Leza do not need more school supplies this year! **But, they are in need of 15 backpacks for this school year. Will you donate a new, sturdy, backpack for a child in need? Please bring in the backpacks and put them on the table in the center of the lobby by THIS WEDNESDAY, August 30. Thank you!**
